ABOUT US

MS KOREA Co., Ltd. is a manufacturer brought to life by Mr. K.I, Hwang, starting with prism reflective materials and we have been trying to be a representative in the field of reflective film and fabric business for more than 30 years. Our team is made up of 30 qualified and hard working employees all working towards our goal-being the first and best. We are now ready for being the top global reflective film manufacturer to develop and improve our products with cutting-edge technology to meet the demand for our customers worldwide.
